

A beautiful, stackable armchair with all the traits of mid-century modern one would expect from a “Danish Chair”. That was the challenge we brought to designer Asger Soelberg. The result is the Regatta Chair. A piece that stands out with its beautiful and functional design, which does not compromise with comfort - whether placed in a hotel, restaurant or private residence.

Designed in Denmark, produced in Europe.

W 59.6 cm / D 53.8 cm
