

The Salon Extension Table Round in diameter 120 cm is perfect for apartments and smaller living spaces. With two extensions, the table is transformed into a 220 x 120 cm long table, and will comfortably seat 8 people in armchairs. The table is made from solid oak and can be ordered in an oiled, soaped or smoked finish.

Designed and produced in Denmark.

The rectangular Salon Extension Tables are built with a high-quality, synchronized extension mechanism, allowing a smooth transformation from one length to another.

Each table accommodates two Extension Plates. All extension plates are available in black MDF and oiled, soaped or smoked oak. For extra convenience the Extension Plates can be stored in the compartment underneath the table top of the rectangular Salon Extension Table.
